

Chiavari Chair Instructions

Please read and share with responsible entity to avoid additional fees. Unless contracted in advanced with labor cost applied, you are responsible for the setup & teardown of chairs & cushions as well as restacking prior to our scheduled pickup.

CUSHIONS

Installation: Tie seat cushion to upright seat back as pictured.

Removal: Untie cushion & repackage in original clear bags provided; 10 to a bag.

CHAIRS

You are responsible for covering each chair with the black protective cover prior to restacking for our pickup. Chairs should be stacked in groups of 6 high and in the same location as delivered.

A fee of \$50.00 per man, per hour will be assessed to orders not meeting these conditions.
